

Save Your Quarters for the Postman!

I AM the Thrift Stamp Man as well as the Postman. When you see me or hear me call, think of Thrift Stamps. I am helping to make it easy to buy 25c Thrift Stamps by bringing them to your door every day.

You do not have to step outside your door to buy Thrift Stamps.

People tell me they had no idea how easy it was to save before I started to sell them Thrift Stamps.

Some folks on my route have instructed me to bring them a 25c Thrift Stamp every day. The kiddies have the habit too.

When I call tomorrow have a quarter ready and get started---if you have not already done so.

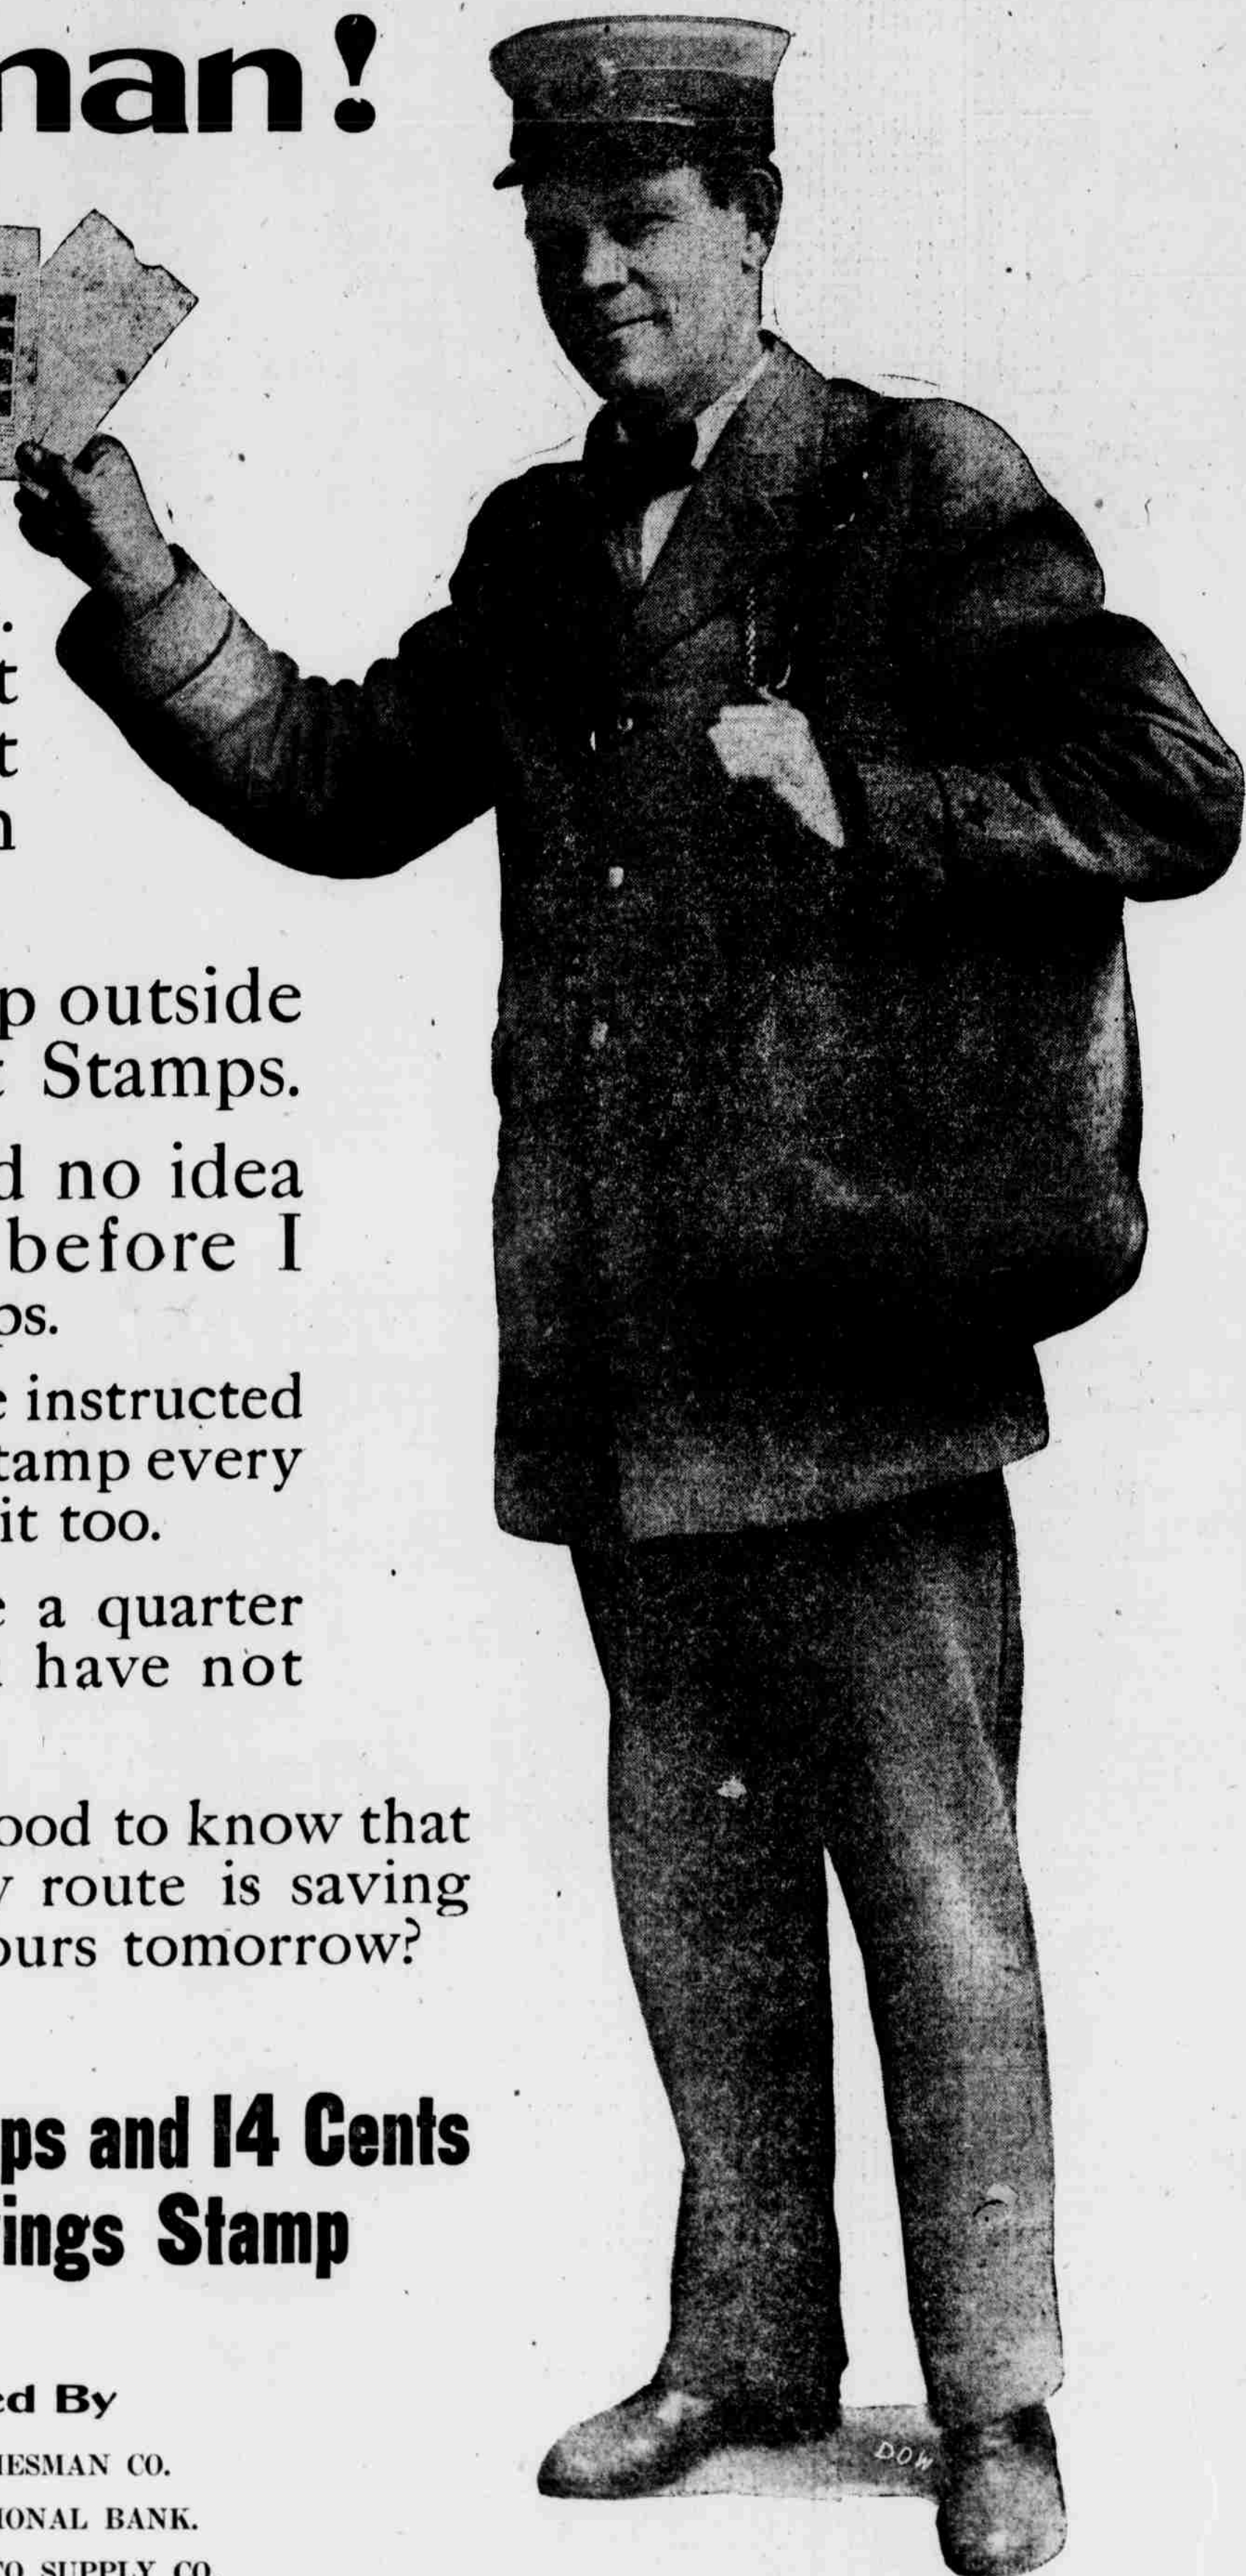

It certainly makes me feel good to know that NEARLY EVERY ONE on my route is saving Thrift Stamps. Shall I bring yours tomorrow?
